

# Get BPI Certified In One Week!

## March 11—15, 2013

### Two Certifications in One Week

Once you have earned your BPI Building Analyst, it's time to enhance your skills and propel yourself and your company ahead of the competition. Gain 2 certifications in one week with:

- BPI Building Analyst and Envelope Shell
- BPI Building Shell & Envelope Professional

Completing BPI Envelope Shell residential specialization courses qualifies your company to earn BPI Accreditation. With BPI Accreditation, you can qualify for government contracts, utility programs, and more.

### BPI Building Analyst Energy Auditor

BPI Energy Auditor training course will provide individuals with the knowledge necessary to provide homeowners an overview of energy consumption and options to save money by conserving energy.

Date: March 11-15, 2013  
Time: 8:00 am—5:00 pm  
Location: 1020 East Wendover Building, Room 109  
Fee: \$1,895 (Early Registration), \$1,995 (Late Registration)

### BPI Building Analyst and Envelope Shell

Our intensive HomeStar Building Analyst/Envelope Combo course that combines our BPI Building Analyst Training and Envelope Training into a concise program - all in one short week! Includes everything you need for BPI Certification: classroom instruction, hands-on field training, BPI Written Exams, and BPI field exams.

Date: March 11-15, 2013  
Time: 8:00 am—5:00 pm  
Location: 1020 East Wendover Building, Room 109  
Fee: \$2,645 (Early Registration), \$2,745 (Late Registration)

### BPI Building Shell and Envelope Professional

The BPI Envelope certification in conjunction with the Building Analyst certification will make your company eligible to apply for Accreditation (if your company is in an industry field i.e. insulation, weatherization, window installation company etc.). Accreditation can be useful for acquiring various incentives throughout each state.

Date: March 11-15, 2013  
Time: 8:00 am—5:00 pm  
Location: 1020 East Wendover Building  
Fee: \$1,895 (Early Registration), \$1,995 (Late Registration)
