

College of Business and Economics

STUDENT ACHIEVEMENT INFORMATION

2015–2016

North Carolina Agricultural and Technical State University

College of Business and Economics

North Carolina A&T State University is the largest Historically Black College or University (HBCU) in the nation and the No. 1 among public HBCUs based on US News and World Report ranking. The university is one of the 1890 institutions, established under the Second Morrill Act of 1890, and is dedicated to providing educational opportunity for all.

The College (formerly School) of Business and Economics is one of eight academic units in the university and was established in 1971. The business programs received initial AACSB accreditation in 1979 and separate Accounting accreditation in 1986.

The 2015—2016 student population included:

- Undergraduate students: 1249
- Graduate students:
 - MATs: 22
 - MBAs: 60
- Avg. undergraduate SAT and ACT for fall 2015 freshman students: 912; 19 (math and verbal only)
- Avg. undergraduate GPA (new freshman and transfer students, Fall 2015): 3.22
- Avg. GMAT and undergraduate GPA for entering MBAs (Fall 2015 and Spring 2016): GMAT = 503 and Undergraduate GPA = 3.32.
