Parking Services

Faculty & Staff Permits and New Rates

Faculty and staff who currently use payroll deduction as a payment method for this year will automatically be renewed. Your permit will be ready for pick-up beginning August 1. If you wish to discontinue existing payroll deductions or change your permit type, forward your request to ncatpark@ncat.edu. To change your vehicle information, simply log onto the parking services website and select your parking account to make necessary changes.

2014-2015 Parking Deck Changes (Current Deck Permit Holders Only)

Effective July 7 current deck permit holders have the option to select a reserved space in the parking deck at the current deck permit cost for the 2014-2015 fiscal year. If you elect general parking privileges in the deck, the cost is reduced to $278 for the 2014-2015 fiscal year only.

Reserved parking will be available on a first come basis. The first level will be restricted to reserved permit holders only. General parking will be designated in the upper levels of the deck.

Contact Parking Services at 336-285-2027 or email ncatpark@ncat.edu to request your space.

Frequently Asked Questions

Q. How many hours are students allowed to work?
A. During the academic year, students may work a maximum of 20 hours per week. This stands true for Federal Work Study eligible students, non-work study students, international students, and U.S. resident students. Note: The total of 20 hours per week maximum includes hours worked from all positions that a student holds.

Example: If a student has two on campus positions during the academic year, the student may work a total of 20 hours in one week, not 20 hours in one position and 20 hours in the other position.

Q. How do I change my tax allowances?
A. Employees can change federal and state allowances by submitting a new W-4 and/or NC-4 form to the Payroll Department. Forms are available on the Payroll website or you may stop by the Payroll Department located in the Dowdy building.

Q. What is FICA (Federal Insurance Contributions Act)?
A. FICA is also known as Social Security tax. It is composed of OASDI (Old Age, Survivors and Disability Benefits) and Medicare. All employees are subject to FICA taxes. FICA will not be withheld on students who are enrolled and working. The student FICA exception does not apply to services performed by an individual who is not enrolled in classes during school breaks of more than five weeks.
