Dear Chancellor Martin:

The Accrediting Council on Education in Journalism and Mass Communications met April 27-28 in Arlington, Va., and voted 21-0, with one member abstaining, that the undergraduate program in the Department of Journalism and Mass Communication at North Carolina A&T State University be removed from provisional reaccreditation and receive reaccreditation.

The Council concurred with the recommendations for reaccreditation made by the Accrediting Committee and the revisit report. The next visit for the undergraduate program in the Department of Journalism and Mass Communication will be during the 2015-2016 academic year.

Please accept my congratulations and best wishes for continued success for the Department of Journalism and Mass Communication at North Carolina A&T State University, its students, faculty and the other professional media constituencies it serves.

Best wishes.

Sincerely,

Peter Bhatia  
President
