

The Visualization and Computation
Advancing Research Center
and the CSE Department

Welcome You to the ViCAR OPEN HOUSE!

Thursday, Sept 28th 11am-1pm

Free Lunch Provided!

Room 107, Fort IRC Building

All Students and Faculty are Welcome to Attend!

ViCAR serves as a focal point for computational interdisciplinary research and education here at N.C. A&T including computationally intensive research. ViCAR's High Performance Computing environment includes high performance clusters, robust 3D visualization systems, large-storage systems for backup and data management and mid-range compute servers and high end workstations.

REGISTER!
