LIMITATIONS OF HOLLINS EXPOSITION SERVICES’ LIABILITY AND RESPONSIBILITY

1) Hollins Exposition Services shall not be responsible for damage to uncrated materials, materials improperly packed, or concealed damage.

2) Hollins Exposition Services shall not be responsible for loss, theft, or disappearance of an exhibitor’s materials after they have been delivered to the exhibitor’s booth.

3) Hollins Exposition Services shall not be responsible for loss, theft, or disappearance of materials before they are picked up from the exhibitor’s booth for loading out after the show. “Bills of lading” furnished to Hollins Exposition Services by the exhibitor - covering outgoing shipments - will be checked at time of actual pickup from booth and corrections made where discrepancies occur.

4) Hollins Exposition Services shall not be liable - to any extent whatsoever - for any actual, potential, or assumed loss of profits or revenues; or for any collateral costs which may result from loss or damage to an exhibitor’s material, which may be impossible or impractical to exhibit same.

5) The consignment or delivery of a shipment to Hollins Exposition Services by an exhibitor, or by any shipper on behalf of any exhibitor, shall be construed as an acceptance by the exhibitor (and/or other shipper) of the terms and conditions as set forth in this document.

6) Hollins Exposition Services shall exercise ordinary diligence and care in the receiving, handling, and storage of all shipments. Hollins Exposition Services shall not be liable for loss or damage by fire, acts of God, strikes, or causes beyond its control. Hollins Exposition Services liability shall be limited to the physical loss or damage to the specific article which is lost or damaged. In any case, the liability of Hollins Exposition Services is limited to thirty cents ($.30) per pound per article, with a maximum of fifty dollars ($50.00) per item, and a maximum of one thousand dollars ($1,000.00) per shipment. This applies while said goods are in Hollins Exposition Services’ warehouse, vehicles for delivery, or possession at show site.

7) Claims for loss or damage which are not submitted to Hollins Exposition Services within thirty (30) days of the show at which the loss or damage occurred, shall be considered waived. No suit or action shall be brought against Hollins Exposition Services or its subcontractors more than one (1) year after the accrual of the cause of action therefor.

8) Shipments received without receipts, freight bills, or specified unit counts on receipts or freight bills (i.e., one lot, 800 cu. ft., etc. - such as UPS or van lines), will be delivered to the exhibitor’s booth without guarantee of piece count or condition. No liability will be assumed by Hollins Exposition Services for such shipments.

9) Empty container labels will be available at the service desk. Affixing the labels is the sole responsibility of the exhibitor or the exhibitor’s representative. All previous labels should be removed or completely covered. Hollins Exposition Services assumes no responsibility for: errors to the aforementioned procedure, removal of containers with old empty labels - without Hollins Exposition Services labels, improper information on empty labels, or valuables stored in containers with empty labels.

10) Exhibitors should arrange for outgoing shipments during the show or immediately after its close. Hollins Exposition Services will assist in the preparation of “bills of lading”. Be sure your material is carefully crated or packed, and properly tagged or marked.

11) To expedite removal of materials, Hollins Exposition Services shall have the authority - without further clearance from the exhibitor - to change designated carriers.

12) Labor and services ordered on behalf of an exhibitor by a display builder or other party, must be so authorized in a letter from the exhibitor. Payment for all labor and services will be the responsibility of the exhibitor.

13) Material handling charges are the responsibility of the exhibitor to whom shipments have been consigned. Also, charges for loading out materials are the responsibility of the exhibitor from whose booth shipments are made. Exhibitors may not assign this responsibility to suppliers or customers. Any financial penalty incurred because of an inappropriate address, collect shipment, early arrival causing reconsignment charges, storage, etc., will be the responsibility of the exhibitor.

14) Where an exhibitor indicates choice of carrier for pickup other than the Official Show Carrier, it is the exhibitor’s responsibility to arrange with said carrier for pickup. If the carrier does not pick up within the time limit for removal of the exhibitor’s material from the exhibit hall, we reserve the right to forward the material by the method of our choice, or to remove the material to our warehouse for disposition - at an additional charge to the exhibitor in accordance with prevailing rates for the service performed.

15) Hollins Exposition Services will not be responsible for material left behind without orders placed at the service desk. Material left behind without orders placed at the service desk may be classified as abandoned.

16) Hollins Exposition Services will not be responsible for any delay of rush shipments. We will expedite rush shipments to the best of our ability, but will not assume any financial responsibility for shipments which do not arrive at their destination at a specified time.

17) EXHIBITORS ARE URGED TO CARRY ALL-RISK INSURANCE covering your materials against damage, loss, and all other hazards; from the time shipments are made prior to the show, until shipments are received back after the show. This can generally be done by adding “riders” to existing insurance policies, often at no additional cost. It is understood Hollins Exposition Services is not an insurer. Insurance, if any, must be obtained by the exhibitor. The amounts payable to Hollins Exposition Services hereunder are based on the value of the material handling services. The scope of Hollins Exposition Services liability is set forth in this document.
