Explore Dominion Program

The Explore Dominion Program provides selected students the opportunity to work in a variety of Dominion business units and departments over a minimum of 2 summer sessions. This program allows students to embrace career diversity as well as develop new skills while working alongside our professionals. Business unit and departmental exposure and experience may be dependent upon the student’s field of study.

Highlights:
- Exposure across Dominion’s Business Units for a minimum of 2 summer sessions
- Each summer session is a 10-12 week paid internship
- A $5,000 scholarship will be awarded upon successful completion of the second summer session
- Traditional Intern Program Benefits (Tours, Executive Live Wires, Networking Opportunities, Professional Development and etc.)
- Opportunities may be located at several of Dominion’s locations, offices, and power stations.

Eligibility:
- Open to All Majors
- Must currently have a cumulative 3.0 GPA or above on a 4.0 scale
- Must be enrolled/registered as a full-time student for the 2014 Fall Semester at an accredited 4-year college or university
- At the time of applying, applicants must be a rising sophomore, junior or graduate student (i.e., pursuing Masters, or J.D.) with two years remaining prior to graduation
- Applicants must apply online and submit a 500-750 word essay explaining their interest in the Energy Industry and how their chosen field of study may benefit Dominion

Dominion Headquarters (Richmond, VA)
Dominion’s strategy is to be a leading provider of electricity, natural gas and related services to customers in the energy-intensive Midwest, Mid-Atlantic and Northeast regions of the U.S., a potential market of 50 million homes and businesses where 40 percent of the nation's energy is consumed.

All Applicants must apply online: www.dom.com/careers
