

Preferred Alternative Loan Lender List

Alternative Loans (Private Education Loans) are loans that are often used to help bridge the gap between a student's cost of attendance and the amount of federal, state and institutional financial aid that a student is awarded.

Alternative loans are credit based loans that are offered by private lenders and often require a good credit history and/or a co-signer with a good credit history.

If you are considering an alternative loan, you should carefully evaluate each lender's private loan program to determine which best meets your needs. You may choose one of the lenders below. These lenders have been evaluated based on criteria we consider important to our student population.

Our office will gladly certify an Alternative Loan from a lender of your choice not included on this list.
