

“SEE” Seeing Excitement in Education! Learn to Teach, Teach to Serve

Mission:

To recruit currently enrolled undergraduate students (freshman and sophomores) to high need areas of mathematics, science and special education. This summer bridge program provides a teaching licensure option for students pursuing degrees in non-licensure areas.

Program Eligibility:

- ✦ Currently enrolled students at North Carolina A & T State University. In good standing with the university.
- ✦ Cumulative GPA of 2.8 or higher
- ✦ Completion of Freshman year
- ✦ Must NOT be a current education major

Program Requirements:

- ✦ Completed application, transcript and reference by Dean/Chair of current school.
- ✦ Commit to obtain license in Math, Science or Special Education
- ✦ Complete required educational courses
- ✦ * Take Praxis I * (students with combined SAT scores of 1100 or ACT 24 are exempt from this requirement)
- ✦ Complete and sign participation agreement
- ✦ Complete all other program requirements

Program Incentives:

- ✦ **Scholarships are available to defray cost of educational expenses** (tuition and fees, room and board, books, etc.)
- ✦ **Praxis I registration fee**

Application Deadline: You must complete all three forms in the application packet.
