

The North Carolina A&T University Foundation, Inc.

Since 1891, North Carolina A&T State University has provided exemplary instruction, scholarly and creative research and effective public service. A&T offers baccalaureate, master's and doctorate degrees with emphasis on engineering, science, technology, and the liberal arts.

The North Carolina A&T University Foundation, Inc. is committed to supporting the educational mission of and providing resources for the university. Endowed scholarships supply financial assistance for students and long-term growth of interest and dividends while providing annual income for the university.

About NC A&T State University

- ♦ A&T is the nation's number one producer of minorities with degrees in science, mathematics, engineering and technology.
- ♦ A&T is one of the largest producers of Certified Public Accountants among historically black colleges and universities (HBCUs).
- ♦ A&T offers the only architectural engineering degree in North Carolina.
- ♦ A&T has the only accredited undergraduate landscape architecture program in North Carolina among HBCUs.
- ♦ A&T is the first and only black university in the country to receive a NASA-funded Mars Space Research Center. More than \$25 million in NASA funding has been received by A&T over the past seven years.
- ♦ A&T stimulates academic growth of students through the more than 95% of the full-time tenure track faculty holding doctorate degrees.
- ♦ A&T has the only accredited agricultural and bio-systems engineering program among historically black colleges and universities.
