BILATERAL ARTICULATION AGREEMENT  
BETWEEN  
NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY  
AND  
WAYNE COMMUNITY COLLEGE

THIS ARTICULATION AGREEMENT is made and entered into by and between NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY, a public university located in Greensboro, North Carolina (hereinafter "NCA&TSU") and WAYNE COMMUNITY COLLEGE, a North Carolina Community College System Institution (hereinafter "WCC"). NCA&TSU and WCC hereby join in a collaborative effort to facilitate the transfer of students graduating from WCC into the Bachelor of Science in Agricultural Education (Agricultural Professional Service) at NCA&TSU and agree to the following terms and conditions:

1. Admissions Requirements: The parties agree that a graduate of WCC with an Associate in Applied Science (AAS) in Agribusiness Technology with at least a cumulative grade point average (GPA) of 2.5 based on a 4.0 scale will be admitted to NCA&TSU provided all other admissions conditions are satisfied. In order to be considered for admissions in accordance with this Articulation Agreement, WCC students must submit an official transcript that indicates AAS Degree completion.

2. Transfer Requirements: NCA&TSU agrees to accept transfer coursework completed at WCC as equivalent on a course-by-course basis. All WCC transfer students may receive up to a maximum of sixty-four (64) semester hours of academic credit for approved courses completed (see pages 3) with a grade of "C" or better earned.

3. Faculty: WCC courses approved for transfer credit must be taught by faculty who meet the community college credential requirements.

4. Student Class Status: WCC transfer student class status will be based on the total number of transfer hours.

5. Associate Degree Completion: Parties at WCC and NCA&TSU shall encourage AAS Degree completion at WCC prior to transferring. To be eligible for inclusion in this Articulation Agreement, WCC students must complete the AAS Degree. WCC students who transfer prior to completing all AAS Degree requirements will have their coursework evaluated on a course-by-course basis. In addition, WCC students who transfer prior to completing all AAS Degree requirements must meet the NCA&TSU transfer admissions requirements.

6. Promotion: Parties at WCC and NCA&TSU shall support and promote this Articulation Agreement on campus through marketing, recruiting, and websites.

7. Accreditation: WCC and NCA&TSU will ensure that they maintain accreditation with the appropriate regional accrediting agency and ensure that all operations will be in keeping with accreditation requirements of the two institutions.
