Office of the Chancellor

Dear Dr. Harold Martin:

The ATMAE Board of Accreditation conducted hearings on accreditation requests on Wednesday, November 7, 2018. The progress report on your ATMAE-accredited programs was among those considered. We are pleased to notify you that the Board accepted the report for the programs/options noted below:

- Bachelor of Science - Applied Engineering Technology
- Bachelor of Science - Construction Management
- Bachelor of Science - Environmental Health & Safety
- Bachelor of Science - Electronics Technology
- Bachelor of Science - Graphic Communication Systems
- Bachelor of Science - Motorsports Technology

The programs will be eligible for ATMAE reaccreditation in 2022. We will send notices regarding future due dates. Meanwhile, it is the responsibility of each institution to inform ATMAE of material changes to accredited programs and of changes to the contact information for those handling ATMAE accreditation issues.

We hope that the accrediting services provided by ATMAE have been beneficial to your program and we look forward to your organization's participation in the development, implementation and evaluation of the appropriate standards for our profession.

Regards,

Caitlin Schwab-Falzone
Director of Accreditation
