

Cost of Attendance for 2015-2016

The information below is provided to assist students and families with financial planning. We include both direct costs (billed by North Carolina A&T State University) and indirect costs (realistic allowances for things like transportation and personal expenses).

The following charts are based on full-time enrollment (12 hours undergraduate and 9 hours graduate and doctoral) for both the Fall and Spring semesters for the 2015-16 academic year.

(Summer session costs are additional. Study abroad costs will vary.)
