

Federal Student Aid Resources for the 2017–18 FAFSA®

The following tables provide a list of Federal Student Aid (FSA) resources that can be used to support outreach for the 2017–18 FAFSA®.

- The first table provides currently available resources.
- The second table provides a list of resources in the process of being updated and includes target dates for when the resources will be available.

Resources in the first table that specifically discuss the changes for 2017–18 appear under the 2017–18 FAFSA-related resources header. The other resources are more general and discuss the FAFSA or the financial aid application process. These tables do not include resources that are specific to the 2016–17 FAFSA. In addition to this document, you can visit FinancialAidToolkit.ed.gov/resources and select the topic “FAFSA” to see all FAFSA-related resources or “2017–18 FAFSA” to see resources that discuss the changes for 2017–18.

Please remember that students and parents should go to StudentAid.gov for information about federal student aid and StudentAid.gov/fafsa for information about the FAFSA.
