If you are a student attending a UNCF member college or university, it is highly recommended that you also complete this UNCF GENERAL SCHOLARSHIP application. This application process nominates a UNCF student searching for scholarship assistance. Once a student completes the application, the information will be used to match you to many of the specific programs administered by UNCF for the 2011/12 Academic Year. The General application, however, does not apply to scholarship programs that require a separate application. To be considered for other scholarships through the Apply Online process, you must complete the online application for that scholarship.

This application is for scholarships awarded during the 2011/12 academic year.

If you are not enrolled at a UNCF member college/university for the 2011/12 academic year, you are not eligible to apply to this scholarship. High School Seniors Are Not Eligible to Apply.
