**25. Campus Safety Questions (Required)**

In an effort to maintain a safe learning community, we must ask the following questions of all applicants. For the purpose of the following questions, “crime” or “criminal charge” refers to any crime other than a traffic related misdemeanor or an infraction. You must, however, include any alcohol or drug related offenses whether or not they are traffic related incidents. Answering “yes” to any of the following questions may not necessarily preclude your being admitted. However, failing to answer these questions, or failing to respond completely, accurately, and truthfully, may be grounds to deny or withdraw your admission or to dismiss you after enrollment.

If you answer “yes” to any of these questions, please provide a written explanation that gives the approximate date of each incident, explains the circumstances, and reflects on what you learned from the experience. The university reserves the right to require an additional statement from an appropriate official corroborating your account, either before acting on your application or before permitting you to enroll. Your failure to provide such a statement upon request may be grounds to deny or withdraw your admission or to dismiss you after enrollment.

You are required to notify the university immediately and in writing of any new or pending criminal charge, any disposition of a criminal charge, or any school, college, or university disciplinary action against you, or any type of military discharge other than an honorable discharge, or any non-routine absence from school, that occurs at any time after you submit this application and prior to enrollment. Your failure to do so may be grounds to deny or withdraw your admission or to dismiss you after enrollment.

- 2. Have you ever been adjudicated guilty or convicted of a misdemeanor, felony, or other crime?     Yes     No

- 3. Do you have any criminal charges pending against you?     Yes     No
