THIS ARTICULATION AGREEMENT is made and entered into by and between **NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY**, a public university located in Greensboro, North Carolina (hereinafter “N.C. A&T”) and **CENTRAL CAROLINA COMMUNITY COLLEGE**, a North Carolina Community College System Institution (hereinafter “DDCC”). N.C. A&T and DDCC hereby join in a collaborative effort to facilitate the transfer of students graduating from DDCC with an Associate in Applied Science in Sustainable Agriculture into the Bachelor of Science in Agricultural Education (Agricultural Professional Service) at N.C. A&T and agree to the following terms and conditions:

1. **Admissions Requirements** - The parties agree that a graduate of DDCC with an Associate in Applied Science (AAS) in Sustainable Agriculture with at least a cumulative grade point average (GPA) of 2.5 based on a 4.0 scale will be admitted to N.C. A&T provided all other admissions conditions are satisfied. In order to be considered for admissions in accordance with this Articulation Agreement, DDCC students must submit an official transcript that indicates AAS Degree completion.
2. **Transfer Requirements** - N.C. A&T agrees to accept transfer coursework completed at DDCC as equivalent on a course-by-course basis. All DDCC transfer students may receive up to a maximum of sixty-four (64) semester hours of academic credit for approved courses completed (*see pages 3*) with a grade of “C” or better earned.
3. **Faculty** - DDCC courses approved for transfer credit must be taught by faculty who meet the community college credential requirements.
4. **Student Class Status**- DDCC transfer student class status will be based on the total number of transfer hours.
5. **Associate Degree Completion** - Parties at DDCC and N.C. A&T shall encourage AAS Degree completion at DDCC prior to transferring. To be eligible for inclusion in this Articulation Agreement, DDCC students must complete the AAS Degree. DDCC students who transfer prior to completing all AAS Degree requirements will have their coursework evaluated on a course-by-course basis. In addition, DDCC students who transfer prior to completing all AAS Degree requirements must meet the N.C. A&T transfer admissions requirements.
6. **Promotion** - Parties at DDCC and N.C. A&T shall support and promote this Articulation Agreement on campus through marketing, recruiting, and websites.
