1. **Admissions Requirements** - The parties agree that a graduate of LCC with an Associate in Applied Science (AAS) in Agricultural Education with at least a cumulative grade point average (GPA) of 2.5 based on a 4.0 scale will be admitted to NCA&TSU provided all other admissions conditions are satisfied. In order to be considered for admissions in accordance with this Articulation Agreement, LCC students must submit an official transcript that indicates AAS Degree completion.
2. **Transfer Requirements** - NCA&TSU agrees to accept transfer coursework completed at LCC as equivalent on a course-by-course basis. All LCC transfer students may receive up to a maximum of sixty-four (64) semester hours of academic credit for approved courses completed (*see page 3*) with a grade of "C" or better earned.
3. **Faculty** - LCC courses approved for transfer credit must be taught by faculty who meet the community college credential requirements.
4. **Student Class Status** - LCC transfer student class status will be based on the total number of transfer hours.
5. **Associate Degree Completion** - Parties at LCC and NCA&TSU shall encourage AAS Degree completion at LCC prior to transferring. To be eligible for inclusion in this Articulation Agreement, LCC students must complete the AAS Degree. LCC students who transfer prior to completing all AAS Degree requirements will have their coursework evaluated on a course-by-course basis. In addition, LCC students who transfer prior to completing all AAS Degree requirements must meet the NCA&TSU transfer admissions requirements.
