Revised: 06/23/2025

The College of Arts, Humanities and Social Sciences' (CAHSS) Scholarship is to help offset the student's financial obligations. It is not a full scholarship that covers all tuition and fees. The amounts may vary according to available funding and the evaluation of the application package meeting the specified criteria. The scholarship is awarded by semester, and the qualified student may apply each semester. An award one semester does not guarantee a future award, and the application is valid only for the semester submitted.

Criteria for consideration: Full-time sophomore or higher CAHSS major in good academic standing, a minimum of 30 credit hours earned at A&T; minimum cumulative GPA of 2.50, and a complete application package.

A complete application package includes 1) the official applicant information form, 2) a well-written essay, 3) a video essay, and 4) a current resume. All written parts are to be typed in 12-point, Times New Roman or Arial font. No application will be considered if all elements are not in the specified format, assessable by the committee and included in the same email by the deadline.

Email all application materials to [CAHSSgeneral@ncat.edu](mailto:CAHSSgeneral@ncat.edu) with the subject heading, "CAHSS Scholarship Application Consideration" from your A&T email address. All correspondence will be sent to your A&T email address. You will receive an email confirmation that the package has been received, and confirmation that all files are accessible. Please read the email and respond accordingly if you need to provide additional materials. You will receive an email with the decision of the committee. Do not alter this form.
