This Student Conduct Handbook is a source of information on the Student Code of Conduct for North Carolina Agricultural and Technical State University (N.C. A&T or University). This handbook does not constitute a contract, express or implied, between N.C. A&T and its students, parents of students, or any other individual.

The Office of Student Conduct and Conflict Resolution (OSCCR) supports N.C. A&T's mission of providing equal opportunity while seeking to facilitate a welcoming and inclusive environment that supports the right of every member of the University community to learn and work in an environment that promotes fairness, equity, and access to employment and educational programs free of discrimination. OSCCR is responsible for upholding the academic and community standards through addressing concerns that impact the health, safety and wellbeing of the campus community along with promoting learning and accountability that foster student success.

The safety and well-being of our community is the University's primary concern. It is the policy of the University that acts of harassment and violence will not be tolerated. Any act of intimidation, threat of violence, or act of violence committed against other members of the University when committed within the jurisdiction as outlined within the Student Code of Conduct is prohibited. Any Student or Student Organization found responsible for a violation of this standard will be subject to discipline up to and including expulsion.

I. STUDENT CONDUCT REGULATIONS

This policy outlines the standards of student conduct and the procedures for addressing violations, consistent with the UNC System Policy 700.4.1 and UNC Board of Governors Policy 700.4.2. N.C. A&T strives to educate students who violate community standards through the imposition of sanctions. The goals of the educational process are as follows:

C. JURISDICTION

1. Locations Covered:

Unless otherwise prohibited by law, the Student Code of Conduct applies to conduct that occurs at any time from an individual's acceptance of an offer of admission until the individual is no longer in a continuing relationship with the University.

A University affiliated event is any off-campus gathering of members of the NC A&T community (and/or their guests) which is sponsored or funded in whole or in part by NC A&T. Private off-

campus events not sponsored or funded by NC A&T may be subject to the University discipline system if the conduct violates University policies or procedures, local, state, or federal law, or when the University determines that the conduct has a direct impact on the educational mission and interests of the University and/or the safety and welfare of the University community.

The Student Code of Conduct may also be applied to conduct online, via email, or other electronic media. Students should be aware that online postings such as blogs, web postings, chats and social networking sites are in the public sphere and may subject a student to allegations of conduct violations (excluding the exercise of constitutionally protected rights, or conduct otherwise permissible under local, state or federal law).

The University retains the burden of proof at all times to establish by a preponderance of the evidence that a student knowingly committed, permitted, or facilitated a violation of this Code on University-affiliated property.

2. Persons Covered:

Jurisdiction under the Student Code of Conduct applies to the conduct of any Student or Student Organization that while the student meets the definition of “student” as articulated in section D. and the student organization meets the definition of “student organization” as articulated in Section D., regardless of the geographic or electronic location. Students scheduled to graduate, who have a pending Student Code of Conduct case will have an administrative hold placed on their account; transcripts and degrees may be held until the case is resolved.

Complaints related to hazing or organizational misconduct may also be submitted directly using the [Hazing/Organizational Misconduct Reporting Form](#).

Academic misconduct

When a complaint alleges violations involving Academic misconduct, the complaint will be reviewed by the Provost and Executive Vice Chancellor for Academic Affairs or their designee for appropriate action in accordance with university academic policies and procedures. Academic misconduct violations that implicate the Student Code of Conduct may be addressed through the student code of conduct hearing process if applicable.

E. STUDENT CONDUCT HEARING PROCEDURES

If it is alleged that a Student Code of Conduct violation has occurred, the student or student organization will receive a written notice of the charge(s) from the Office of Student Conduct and Conflict Resolution outlining the allegations and related prohibited conduct along with information for a scheduled disciplinary proceeding. The purpose of the hearing is to provide a fair, impartial, and educational process for resolving alleged violations.

Acceptance of Responsibility

A student alleged to have violated the Student Code of Conduct Policy may choose to accept responsibility for the charge(s) at any point prior to the conclusion of the conduct process. When a student accepts responsibility in writing, the matter may proceed directly to sanctioning. At this point, the student waives the right to appeal the outcome and sanctions of the conduct process.

Notice of Student Conduct Hearing

All charges of misconduct referred to a hearing body are heard as promptly as circumstances permit. A student or organization shall be informed of charges in writing and include meeting information to appear before a specific conduct board. Notifications for conduct hearings are delivered at least five (5) business days prior to the hearing for a minor violation and at least ten (10) business days for a major violation, except in certain cases when time is of the essence, or extenuating circumstances prevail. For major violations, notice must include the possible sanctions and a brief description of the allegations supporting the charge. If expulsion is being contemplated, notice must state that expulsion precludes matriculation at any UNC System institution.

Pre-Hearing Conference and Evidence Review

Any student may request a pre-hearing conference with the Office of Student Conduct and Conflict Resolution in order to review the evidence to be presented at a hearing, to waive the right to a hearing, or to request a single adjudicator hearing. All students are given the opportunity to review any evidence to be used at the hearing and to obtain a list of witnesses before the hearing.

Record of Proceedings

The Office of Student Conduct and Conflict Resolution is responsible for recording and maintaining a record of any student conduct proceeding. No other recordings or broadcasts shall be permitted. The recording will be maintained with the case file and will be available as part of the record. The Office may redact information related to personally identifiable information of other students or employees as permissible or required by law.

Accommodations Due to Disability

The university is committed to ensuring that all students have equitable access to participate fully in the conduct process. Any Student needing assistance because of a disability may contact the [Office of Accessibility Resources](#) at 336-334-7765. It is the student's responsibility to request accommodations in advance of any conduct meeting, hearing, or proceeding. The conduct process will be paused if necessary to ensure accommodations are arranged and provided in a timely manner.

Conflicts of Interest in Student Conduct Proceedings

To ensure impartiality and fairness, any University official involved in investigation, adjudication, or appeal must be free from actual or perceived conflicts of interest. Any official, hearing panel member, or staff member involved in the process must disclose potential conflicts or bias and recuse themselves when a conflict of interest exists. Students may request in writing that an official be recused from their case due to perceived conflict or bias. If a conflict is identified, a trained alternate will be appointed to maintain fairness and integrity.

Appearance at the Disciplinary Hearing

Appearance at the disciplinary hearing is required if the Respondent does not accept responsibility for the charges or proposed outcomes. Scheduled university conduct hearings will be held in absentia if a student or organization fails to present themselves at the hearing. A 15-minute grace period will be provided to appear or reschedule. If the student or organization does not reschedule or appear, the hearing body will convene and decide based on the evidence at the hearing. This requirement may not apply to sexual misconduct cases.

Hearing Deliberations

Following the conclusion of a student conduct hearing, the hearing facilitator and the panel will enter a closed deliberation to determine whether the respondent is responsible for the alleged violation(s). Deliberations are confidential and limited to information presented during the hearing. The outcome must be based solely on evidence and testimony presented during the hearing. Decision-makers will prepare a written summary of findings, rationale, and recommended sanctions for final review and issuance.

Good Samaritan Reporting

Disciplinary action may be mitigated for student Respondent(s) who attempt remedial action to assist a victim in getting help from appropriate University or emergency personnel even when conduct violations may have occurred, or when Respondent(s) took steps to assist the University with gathering information regarding alleged conduct violations. Good Samaritan consideration may be applied by Student Conduct administrators or the hearing body on a case-by-case basis.

Determination of Sanctions

Sanctions are intended to be educational, proportionate to the violation, and consistent with institutional precedent. The Associate Dean of Students & Director of Student Conduct and Conflict Resolution or designee shall review recommendations and determine a final decision for lower-level sanctions below suspension or expulsion, provided they were not directly involved in the case. The Associate Vice Chancellor for Student Affairs & Dean of Students or Designee shall review recommendations and determine a final decision for sanctions up to suspension. The Vice Chancellor for Student Affairs may review recommendations and determine a final decision of expulsion. Written notice will include rationale, sanctions, and appeal rights.

F. RESOLUTION OPTIONS

Single Adjudicator Hearing

For minor offenses and under certain circumstances, the Associate Dean of Students & Director for Student Conduct and Conflict Resolution or designee may decide to serve as a single adjudicator. At a prehearing meeting, the Respondent will have the opportunity to accept responsibility for the alleged violation(s) and agree to proposed outcomes. If the Respondent accepts responsibility, an outcome letter will be sent with agreed sanctions and deadlines.

External Adjudicator Hearing

The Vice Chancellor for Student Affairs & Dean of Students, in consultation with the Vice Chancellor for Student Affairs and the Office of Legal Affairs, has authority to refer a case to an external adjudicator to hear cases involving major violations of the Student Code of Conduct, university policy, state or federal laws. The External Adjudicator will review the case and determine responsibility based on preponderance of the evidence and recommend appropriate sanctions to

the Associate Vice Chancellor for Student Affairs & Dean of Students, who will make the final sanction determination.

Student Conduct Council Hearing

The Student Conduct Council shall be composed of eleven (11) trained individuals elected by the student body. The Student Conduct Council shall have jurisdiction in cases that involve minor student behavior and infractions of university regulations and standards governing student conduct. These cases are limited to infractions specified by the Office of Student Conduct and Conflict Resolution. The Student Conduct Council will determine responsibility based on preponderance of the evidence and recommend sanctions to the Associate Vice Chancellor & Dean of Students, who will make the final sanction determination.

Administrative Panel Hearing

The Administrative Hearing Panel will be coordinated by the Office of Student Conduct/Conflict Resolution. A Designated University Official will present the case on behalf of the university, and a minimum of three faculty or staff trained by the Office of Student Conduct and Conflict Resolution will hear student conduct cases. The panel will determine responsibility based on preponderance of the evidence and recommend sanctions. The final determination of sanctions will be made by the Associate Vice Chancellor and Dean of Students or the Vice Chancellor of Student Affairs as it pertains to separation level cases.

B. APPEALS

Students found responsible for a violation of the Student Code of Conduct Policy have the right to appeal the outcome of a disciplinary proceeding in accordance with UNC System Policy 700.4.1. Appeals must be submitted in writing within the timeframe specified in the policy and must be based on one or more of the following grounds: (1) a material violation of procedural standards that affected the outcome; (2) a lack of substantive evidence to support the decision; or (3) in cases involving Title IX or gender-based misconduct, a conflict of interest or bias, or the emergence of new evidence not reasonably available at the time of the hearing.

Appeals will be reviewed by an impartial University official(s) who is trained in student conduct adjudication who was not involved in the original decision. The appeal review will be based on the record of the original proceeding, and no new hearing will be conducted. The reviewing official(s) may uphold, modify, or overturn the original decision, or remand the case for a new hearing. The decision of the appeal authority is final.

Grounds for Appeal:

- **Procedural Error:** A material deviation from the University's established conduct procedures that significantly impacted the outcome of the case. Minor or technical deviations that do not affect the fairness of the process are not grounds for appeal.
- **Substantive Error:** A lack of sufficient evidence in the record to support the finding of responsibility or the severity of the sanction imposed. The appeal must demonstrate that no reasonable person could have reached the same decision based on the evidence presented.
- **New Evidence:** Information that was not reasonably available at the time of the hearing and that could materially affect the outcome.
- **Conflict of Interest or Bias:** In cases involving Title IX or gender-based misconduct, the student may appeal on the basis that the decision-maker, investigator, or Title IX Coordinator had a conflict of interest or bias that affected the outcome.
- **Violation of Procedural Standards:** A violation of procedural standards occurs when a student or university official fails to adhere to the minimum procedural requirements established for student disciplinary proceedings under UNC System Policy 700.4.1.

Written notice of appeal must be submitted by the respondent or the complainant (when applicable) to the Office of Student Conduct and Conflict Resolution within ten (10) business days of the date of written notification of the decision of the hearing panel or the conduct officer provided at the time of the decision. Failure to submit the appeal within this time limit will render the original decision final and conclusive.

Individual students shall submit appeals of sanctions in the following levels: Appeal of sanctions resulting in suspension shall be appealed to the Vice Chancellor for Student Affairs or designee. Their decision is final, and no further appeal is permitted. Expulsion decisions shall be appealed to the Chancellor or their designee; their decision is final and no further appeal is permitted. Appeals of Academic misconduct sanctions shall be governed by the same procedural standards and guidelines provided in this section in accordance with UNC System Policy 700.4.1.

Student appeals must be received within ten (10) business days from the date that the outcome letter conveying the written decision and/or sanctions was issued. The Appeal Officer will issue a written decision on the appeal and rationale within ten (10) business days of receiving the complete record on appeal, although that deadline may be extended for good cause. All appeal decisions will be delivered in writing to the email account the University has on file for the student.

C. EXTERNAL LAW ENFORCEMENT AGENCIES

The Student Code of Conduct Policy is not designed nor authorized to enforce local, state, or federal criminal and civil laws. The University is under no obligation to delay University proceedings when a student is also being processed through the criminal or civil system. In addition, the outcome of a criminal or civil process does not influence or change any University processes and/or outcomes.

D. RECORDS RETENTION

The official records for the Student Campus Hearing Board will be maintained by the Office of Student Conduct, with appropriate copies of outcome letters sent to university offices that have a legitimate educational interest to know such information. Disciplinary record retention, access and disclosure, or notifications will comply with the Family Educational Rights and Privacy Act of 1974 (FERPA), Clery Act, Title IX, UNC Public Records Act and other applicable laws as appropriate.
