COLLEGE OF BUSINESS AND ECONOMICS REQUIREMENTS

The student is held responsible for the selection of courses in conformity with the curriculum (major) of his/her choice. A student who enters the College of Business and Economics has the privilege of graduating under the provisions of the University *Bulletin* current upon admission, provided all requirements are completed within six years. If all requirements are not completed within six years after admission, the student is expected to conform to the *Bulletin* requirements specified for the class with which graduation is anticipated.

The applicant for graduation must have earned a minimum of 127 semester hours, excluding deficiency and/or remedial course work, with a cumulative grade point average of 2.00 or better for all courses taken. Students enrolled in repeatable semesters of University Band (MUSI 300) and/or Choir (MUSI 301) will receive graduation credit for one semester only. **Students in the College of Business and Economics must earn a minimum grade of "C" in ENGL 100, ENGL 101, MATH 111, MATH 112, ACCT 221, ECON 305, BUED 260, MGMT 315, and MGMT 495.** Students must also **earn a minimum grade of "C" in the 10 (30 hours) courses listed as major program requirements** in the applicable University *Bulletin* for the selected courses of study.

Students are considered for a change of major to a program in the College of Business and Economics from other academic majors and undecided classification upon the completion of 24 semester hours with a minimum grade point average of 2.50. The 24 semester hours must include ENGL 100, ENGL 101, MATH 111, and MATH 112 or equivalent. FRST 098, FRST 099, FRST 100, and MATH 100 are not considered for the 24 hour requirement. MATH 131 and 132 may be substituted for MATH 111 and MATH 112; credit will be awarded for the higher level courses only. MATH 110 is not acceptable for curriculum requirements in the College of Business and Economics. Exceptions to this policy require the recommendation of the department chairperson and the approval of the dean of the College of Business and Economics.

REMINDERS FOR BUSINESS TEACHER EDUCATION MAJORS

Admission to Teacher Education Program. To proceed smoothly in your program, you must be formally admitted to the Teacher Education program by the end of your sophomore year. Admission to the Teacher Education Program requires:

1. Completion of freshman and sophomore level courses, with a grade point average of 2.8 or better.
2. Passing scores on each section of Praxis I.
3. An active Taskstream account throughout your degree.
4. Submission of the Application for Admission to the Teacher Education Program.

You may not take 400-level BUED or CUIN courses until you have been admitted to the Teacher Education Program.

Admission to Student Teaching. Candidates may apply to be admitted to student teaching after they have obtained a passing score on the Praxis II exam in Business Education. A passing score on Praxis is required for BUED 475—Instructional Methods in Business Education.

Directed Work Experience. You are required to complete two credits of Directed Work Experience—BUED 398 and BUED 498. The order in which the courses are taken does not matter, but both must be taken.
