

## Stewart - Student Scholarship

Stewart is pleased to announce the 1<sup>st</sup> Stewart Diversity Student Scholarship Award application. The scholarships are intended to support minority and/or women full-time students enrolled in Geomatics-related courses/activities at North Carolina Agricultural and Technical State University. To be eligible, applicants must be enrolled, full-time during the 2020/2021 academic year, have a GPA of 2.5 or higher, and be a rising junior or senior. It is a pleasure to provide this scholarship opportunity to the students of the Geomatics program of North Carolina Agricultural and Technical State University and we look forward to all applicants.

Stewart is pleased to offer the following student scholarship opportunities:

1. Stewart will offer \$2,400.00 per semester in student scholarships
2. The scholarships will be offered to two students per semester at \$1,200.00 per student.
3. Students must provide a complete and accurate scholarship application by the deadline outlined.
4. Upon review of applications, the Advisory Board will narrow down the selection to two students that must complete an interview via Zoom or other type venue. A student will be selected based on the interview and application documents and receive the \$1,200.00 scholarship accordingly.
5. Selection of students to receive the scholarship is at the sole discretion of the board.

**Applications are due by April 23, 2021.** The Stewart Scholarship Committee will review the applicants' documentation and all will be notified of the results by May 7th, 2021.
