The Master of Business Administration program with a concentration in Accounting prepares students for professional careers in accounting and management positions in the public or private sectors. This high quality program will provide accounting graduates from A&T and other institutions the opportunity to enhance their marketability through professional certification. This program has been designed to be competitive with graduate accounting programs at peer and competitive institutions. The MBA program is accredited by the AACSB International - The Association to Advance Collegiate Schools of Business International. This is the premier accrediting agency for undergraduate and graduate schools of business, economics, and accountancy.

Additional Admission Requirements

- GMAT or GRE exam score if undergraduate GPA is less than 3.30
- A current resume
- Students without undergraduate business related degrees will be required to take up to 12 additional credits of foundation courses in accounting and finance (ACCT 608), economics, (ECON 606), business analysis (MGMT 605), and enterprise management (MGMT 612)

Learning Objectives:

- Students will gain enhanced knowledge of financial accounting processes needed for professional practice and successful completion of professional certification exams.
- Students will understand the application of accounting principles and practices in a global environment.
