KEYNOTE SPEAKER

ULYSSES J. COZART JR. '77

Ulysses J. (U.J.) Cozart Jr. '77 is a proud alumnus of North Carolina Agricultural and Technical State University whose life and career exemplify academic discipline, professional excellence and sustained commitment to service. A Greensboro native, Cozart earned his B.S. in business administration from what is now the Willie A. Deese College of Business and Economics before embarking on a distinguished 38-year professional career. He later earned a M.S. in higher education, reinforcing his lifelong belief in the transformative power of learning.

Cozart's career spanned corporate, government and entrepreneurial sectors. He held leadership and consulting roles with General Motors Corporation, Mitsubishi Motor Sales of America, and the Small Business Technology Development Center, with assignments across the United States. In addition, he founded FosCo Resources, providing financial management and property investment consulting.

A dedicated Aggie for more than three decades, Cozart has served extensively in volunteer and leadership roles with the N.C. A&T Alumni Association, including chapter president, regional director, national officer, and Board of Visitors chair. He has been instrumental in alumni engagement, student recruitment, chapter development and philanthropic initiatives benefiting the university.

Now retired from corporate and government service, Cozart works alongside his wife, Monica, in their investment properties business. He remains actively engaged in civic, faith-based, and youth-serving organizations and continues to champion N.C. A&T's mission through service, stewardship, and mentorship.

SONGS

LIFT EVERY VOICE AND SING

Lift ev'ry voice and sing,
Till earth and Heaven ring,
Ring with the harmonies of Liberty;
Let our rejoicing rise
High as the list'ning skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us;
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

Stony the road we trod,
Bitter the chast'ning rod,
Felt in the days when hope unborn had died;
Yet with a steady beat,
Have not our weary feet
Come to the place for which our fathers sighed,
We have come over a way that with tears has been watered;
We have come, treading our path thro' the blood of the slaughtered,
Out from the gloomy past,
Till now we stand at last
Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears,
Thou who has brought us thus far on the way;
Thou who has by Thy might led us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places, our God, where we met Thee;
Lest our hearts drunk with the wine of the world, we forget Thee;
Shadowed beneath Thy hand,
May we forever stand,
True to our God,
True to our native land.

ALMA MATER

Dear A. and T., dear A. and T., a monument indeed
Around thy base with grateful hearts behold thy students kneel.
We bless the power that gave thee birth to help us in our need,
We'll ever strive while here on earth all loyalty to yield.

REFRAIN

With joy, with joy, dear A. and T., thy students turn from thee
To spread thy trophies year by year from Dare to Cherokee.

Dear A. and T., dear A. and T., the signet thou shalt be
Set by our great old commonwealth, proud boaster of the free;
She'd have the record of her worth on granite not inscribed—
Nay, let the children of her birth proclaim it by their lives.

Dear A. and T., dear A and T, henceforth our aim shall be,
By precepts wise and deeds more sure to bless the State through thee;
The arts of industry to wield against an idle foe
A harvest rich from ripened field of what thy students sow.

ACADEMIC EXCELLENCE AWARDS

THE UNIVERSITY AWARD FOR ACADEMIC EXCELLENCE

The University Award for Academic Excellence recognizes a student for the integration of academic excellence with other aspects of their lives that may include leadership, community service, arts, athletics and career achievement. This student may have already received recognition from campus, local, state, national or international organizations.

Eligibility

The student will have enriched the North Carolina Agricultural and Technical State University community through a record of accomplishment and leadership in areas such as scholarship, student life and community life, all of which reflect the university's purposes and priorities. Nominees must be an undergraduate senior with a cumulative GPA of 4.00.

Criteria for Selection

Not all categories will apply to all students, but a record of accomplishment across a range of activities/areas is expected. Nominators should address the relevant ones in their letter of nomination. Students will be judged on overall accomplishment.

- Academic excellence
- Scholarship (research and/or creative activity)
- Campus service/involvement in extracurricular activities
- Community service
- Evidence of leadership

NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY

Established in 1891 under the Second Morrill Act of 1890, North Carolina Agricultural and Technical State University is a land-grant, doctoral research university. The Second Morrill Act expanded the nation's system of land-grant universities to include a historically black institution in those states where segregation denied minorities access to the land-grant institutions established by the First Morrill Act (1862).

Throughout its 135-year history, N.C. A&T has maintained a rich tradition in academics, research and outreach. Today, the university is committed to fulfilling its fundamental purposes through exemplary undergraduate and graduate instruction, scholarly and creative research, and effective public service and engagement. A&T is accredited by the Southern Association of Colleges and Schools Commission on Colleges. An institution of choice for high-achieving students, A&T aspires to be recognized as a preeminent land-grant university.

With an enrollment of 15,275 students (Fall 2025), N.C. A&T is the nation's largest historically Black college or university (HBCU). A&T awards baccalaureate, master's and doctoral degrees through the College of Agriculture and Environmental Sciences; College of Arts, Humanities and Social Sciences; Willie A. Deese College of Business and Economics; College of Education; College of Engineering; John R. and Kathy R. Hairston College of Health and Human Sciences; College of Science and Technology; The Graduate College; Joint School of Nanoscience and Nanoengineering; and the Honors College. The curriculum has been adapted to strengthen science, technology, engineering and mathematics (STEM) — its academic core and foundation — and other disciplines. The university also has moved rapidly to blend its academic and research programs with the needs of society and industry, forming a symbiotic relationship.

A&T has advanced to the forefront in the area of research and is among the top-ranking institutions in the University of North Carolina System for sponsored research funding. The strength and potential of the research enterprise at A&T are demonstrated by the university's ability to sustain major programs in nanotechnology, biotechnology, computational science and engineering, energy and environment, information sciences and technology, leadership and community development, logistics and transportation systems, and public health.

Upon graduating, students join the university's nearly 70,000 alumni of record who hold (or have held) positions of leadership in industries and communities around the world. Some of A&T's nationally acclaimed alumni include Henry E. Frye '53, former N.C. Supreme Court Chief Justice; Edolphus Towns Jr. '56, retired U.S. congressman; Clara Adams-Ender '61, author and retired Army brigadier general; Alvin A. "Al" Attles Jr. '60, former NBA player, coach and general manager; Elvin Bethea '68, NFL Hall of Famer; Ezell Blair Jr./Jibreel Khazan '63, Joseph A. McNeil '63, the late Franklin E. McCain Sr. '63 and the late David Richmond '10 (degree awarded posthumously), members of the A&T Four/Greensboro Four; Joe L. Dudley Sr. '62, Dudley Products founder; the late Rev. Jesse L. Jackson Sr. '63, civil rights activist and former presidential candidate; Alma S. Adams '68, U.S. congresswoman; the late Dr. Ronald E. McNair '71, NASA astronaut; and Michael S. Regan '98, U.S. EPA administrator.

Thirteen presidents/chancellors have served the institution since its founding: Dr. John O. Crosby (1892-1896), Dr. James B. Dudley (1896-1925), Dr. Ferdinand D. Bluford (1925-1955), Dr. Warmoth T. Gibbs (1956-1960), Dr. Samuel DeWitt Proctor (1960-1964), Dr. Lewis C. Dowdy (1964-1980), Dr. Cleon Thompson Jr. (interim, 1980-1981), Dr. Edward B. Fort (1981-1999), Dr. James C.
