<sup>1</sup>Two MATH courses are required for this discipline: MATH 111 and MATH 112. (MATH 103 & MATH 104 combined can substitute for MATH 111.) MATH 131 and/or MATH 132 can be used as substitutions for either course provided that two of these four courses are taken. All MATHs require a minimum of grade C or better. MATH 131 and MATH 132 are recommended for those planning to pursue graduate study. MATH 110 is not a substitute for MATH 111.

<sup>2</sup>For a list of courses satisfying the Scientific Reasoning, African-American Culture and History, and Global Awareness general education components, please refer to the department office or at:

[http://www.ncat.edu/provost/general\\_education\\_resources/general\\_education\\_course\\_list/index.html](http://www.ncat.edu/provost/general_education_resources/general_education_course_list/index.html)

NOTE: The two (2) courses chosen to fulfill the African-American Culture and History elective and the Global Awareness elective must include one African-American Culture and History course and one Global Awareness course (that is, an

African-American Culture and History course must be chosen for one of these electives and a Global Awareness course must be chosen for the other elective).
