FYE COMPETENCIES

The First Year Experience (FYE) provides a mandatory set of meaningful experiences which shape students to become confident, successful, and career-ready individuals.

The experiences are shaped through the following seven competencies:

- AA Academic Achievement**
Achieve academic excellence by participation in courses and programming that support the mastery of college level work.
- AT Aggie Traditions**
Embrace an understanding and appreciation for the history and traditions of the university.
- UR University Resources**
Identify and utilize student support services appropriate for individual needs in order to attain student success.
- DI Diversity and Inclusion**
Articulate and identify behaviors that promote social justice, equity, and inclusion to function in a diverse and global community.
- FL Financial Literacy**
Understand and articulate the foundations of financial management and develop planning strategies to make informed financial decisions.
- PD Personal/Professional Development**
Develop and articulate personal and professional aspirations through co-curricular involvement.
- HW Health and Wellness**
Embrace a healthy lifestyle through activities that promote physical activity and healthy behaviors.
