Dear Dr. Martin:

The Council for Accreditation of Counseling and Related Educational Programs (CACREP) met July 16-18, 2009, for the purpose of rendering accreditation decisions. Two programs housed in the School of Education at North Carolina A & T State University were reviewed under the 2001 Standards. The following decisions were made:

Community Counseling (M.S. degree)

Accredited: Eight-Year Period through October 31, 2016

School Counseling (M.S. degree)

Accredited: Eight-Year Period through October 31, 2016

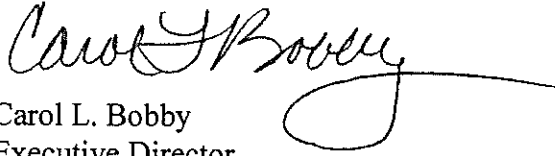

The above accreditation decisions were based on the Board's extensive review of the self-study document, the addendum to the self-study, the visiting team's report, and your institution's response to the visiting team's report. Please note that the October 31, 2016 expiration date includes a one-year extension of accreditation that was granted earlier to the programs.

Programs receiving accreditation for an eight-year period deserve to be commended for the work they completed throughout the accreditation process. This is indeed a worthy achievement. Congratulations! Please note that a certificate of accreditation will be enclosed with Dr. Ross-Baber's copy of this letter.

On behalf of the CACREP Board, I would like to extend my thanks to you and your administration for the support provided to these programs. Such support is considered vital

to assuring continued quality in higher education programs. Once again, congratulations are extended to all of those involved in making this a successful accreditation review process.

Sincerely,
