

Spring 2026 Final Examination Schedule

May 4 – 8, 2026

Examinations are scheduled based on the course's designated day and start time. Faculty are required to include the exam date, day, and time in their course syllabus. Students are encouraged to address any exam scheduling conflicts early in the semester and no later than the mid-point of the semester.

Faculty may not administer examinations nor give an assignment in lieu of an exam on Reading Day.

Distance Learning asynchronous courses must be administered during the final examination period at the direction of the course instructor-of-record.

Final assessments are required in all undergraduate courses.

All examinations must align with the University final exam schedule.

No examinations (except for laboratory sections) may be held at a time other than that specified in the general schedule except after first petitioning the dean and with the advance approval of the provost.

Classes after 5 pm will meet during their normal class time.
