May 11, 2024

Dear Class of 2024:

On behalf of the North Carolina Agricultural and Technical State University Board of Trustees, faculty, staff and students, congratulations on your graduation from our beloved university. Your degree represents an important milestone in your life: the transition from college student to North Carolina A&T alumni.

In one of my last acts as chancellor — and forever a proud alumnus — it is my distinct pleasure to commemorate this occasion with you. Having faced and surmounted many challenges during the course of your college years, you can choose from among myriad opportunities as you start the next phase of your life. Never forget the rich history and traditions of our alma mater and the support of the faculty, family and friends who have been a source of inspiration and support during this chapter of your personal journey.

This accomplishment should fill you with both immense pride and a profound sense of responsibility. The rest of your life begins today. With that, your next challenge is to seize the opportunities that lie ahead and commit to making an impact on the world. Today, you join a powerful global community of Aggies who share a clear vision to Lead, Create, Discover, Inspire, Dream and Love … because that’s what AGGIES DO!

We are not concentrating on endings today, but on bold new beginnings. Graduates, as you proceed with your endeavors, from starting a career to furthering your education on the path to creating a successful life, know that you are well prepared. Remember that greatness should not be measured by your personal success alone, but by the lives you enrich along the way as well.

As Aggies, we are always doing, never done.

Sincerely,

Harold L. Martin, Sr.
Chancellor
The Beginnings of the Bachelor’s Degree at North Carolina Agricultural and Technical State University

By James R. Stewart Jr., Archives and Special Collections Librarian. Rev. April 26, 2024

Commencement ceremonies predate the awarding of the bachelor’s degree at what was once called the “Agricultural and Mechanical College for the Colored Race”. The earliest confirmed commencement program took place during the week of May 22–27, 1897. The performance of First Lady Susie B. Dudley’s play “How Shall I Go Up To My Father?” at the 1898 commencement is considered the birth of theatrical arts at North Carolina A&T. Before bachelor’s degrees were awarded, the earliest agricultural students at the college completed a research thesis for a “diploma of graduation”.

James B. Dudley had just completed his first year as our 2nd President when the Board of Trustees gave authorization to the faculty to create curriculum for the bachelor’s degree of science on May 28, 1897. The original courses offered for the bachelor’s degree were “Agricultural” for a B.Agr., and “Mechanical” or the “Women’s” courses for the B.S (Bachelor of Science). Female students were not approved for enrollment in the Agricultural course.

Out of nearly 100 students enrolled beginning in Fall 1896, seven were eligible for graduation in 1899. Known collectively today as the “Superior Seven”, they were William “Willie” Thomas Cain Cheek, Isaac Summerville Cunningham, Austin Wingate Curtis Sr., Epps Luther Falkener, James Matthew Joyner, Peter Edward Robinson, and Adam Watson. Their class motto was “No Steps Backwards”.

The first bachelor’s degree commencement exercises concluded on the night of May 25, 1899 with choruses, vocal solos, orations, presentations of diplomas, prizes, and the hour and a half literary address by Col. Julian S. Carr. Closing remarks were given by President James B. Dudley. Notable commencement speakers to come were Mary Church Terrell, Dr. Carter G. Woodson, Dr. Ralph Bunche, alumnus Rev. Jesse Jackson ’64 & Judge Elreta Alexander-Melton ’37, and First Lady Michelle Obama.

The Women’s course along with the Domestic Science department were discontinued in 1901, but that did not stop Frances (Grimes) Bryant from earning her B.S. degree in 1901 followed by Hannah Bullock and Florence Garrett in 1902. Women were readmitted to the bachelor’s degree study programs in 1928.

Today in May 2024, we celebrate as North Carolina Agricultural and Technical State University awards nearly 1,500 bachelor’s degrees, also several masters and doctoral degrees, and the 125th anniversary of our first class.
PROGRAM

PRESIDING: Harold L. Martin Sr., Chancellor

PROCESSIONAL  “Pomp and Circumstance” Sir Edward Elgar
Travis Alexander, Organist

MACE BEARER  Scott Harrison
Chair of the Faculty Senate
Associate Professor, Department of Biology
College of Science and Technology

RESPONSE  “Lift Every Voice and Sing” James Weldon Johnson
University Choir

GREETINGS FROM THE UNIVERSITY  Chancellor Martin

GREETINGS FROM THE UNIVERSITY OF NORTH CAROLINA  Pearl Burris-Floyd
Board of Governors

GREETINGS FROM THE BOARD OF TRUSTEES  Kimberly Gatling
Chair

GREETINGS FROM THE SENIOR CLASS  Tiana Purvis
President

INTRODUCTION OF SPEAKER  Chancellor Martin

COMMENCEMENT ADDRESS  Tamron Hall
Emmy Award-winning TV Host, Journalist and Author

SPECIAL RECOGNITION  Chair Gatling

RECOGNITION OF HONOR GRADUATING STUDENTS  Tonya L. Smith-Jackson
Provost and Executive Vice Chancellor for Academic Affairs

PRESENTATION OF CANDIDATES FOR DEGREES  Provost Smith-Jackson

BACCALAUREATE DEGREES  Academic Deans

College of Engineering
John R. and Kathy R. Hairston

College of Health and Human Sciences

College of Science and Technology

CONFERRING OF DEGREES  Chancellor Martin

THE ALMA MATER  University Choir
(Audience Stand)

RECESSIONAL  “Crown Imperial Coronation March” William Walton
Travis Alexander
RESPONSE

LIFT EVERY VOICE AND SING

Lift ev’ry voice and sing,
Till earth and Heaven ring,
Ring with the harmonies of Liberty;
Let our rejoicing rise
High as the list’ning skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us;
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

Stony the road we trod,
Bitter the chast’ning rod,
Felt in the days when hope unborn had died;
Yet with a steady beat,
Have not our weary feet
Come to the place for which our fathers sighed?
We have come over a way that with tears has been watered;
We have come, treading our path thro’ the blood of the slaughtered,
Out from the gloomy past,
Till now we stand at last
Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears,
Thou who has brought us thus far on the way;
Thou who has by Thy might led us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places, our God, where we met Thee;
Lest our hearts drunk with the wine of the world, we forget Thee;
Shadowed beneath Thy hand,
May we forever stand,
True to our God,
True to our native land.

ALMA MATER

ALMA MATER

Dear A. and T., dear A. and T., a monument indeed,
Around thy base with grateful hearts behold thy students kneel.
We bless the power that gave thee birth to help us in our need,
We'll ever strive while here on earth all loyalty to yield.

REFRAIN
With joy, with joy, dear A. and T., thy students turn from thee
To spread thy trophies year by year from Dare to Cherokee.

Dear A. and T., dear A. and T., the signet thou shalt be,
Set by our great old commonwealth, proud boaster of the free;
She'd have the record of her worth on granite not inscribed—
Nay, let the children of her birth proclaim it by their lives.

Dear A. and T., dear A. and T., henceforth our aim shall be,
By precepts wise and deeds more sure to bless the State through thee;
The arts of industry to wield against an idle foe.
A harvest rich from ripened fields of what thy students sow.
Two-time Emmy®-winning journalist, author, producer, trailblazing media personality and empowering advocate Tamron Hall stands at the forefront of transformational conversations that drive change. Her life story is a testament to the indomitable human spirit: From humble beginnings to becoming a distinguished figure in broadcast journalism, she has shattered barriers and embraced challenges head-on. Her journey from local news stations to the anchor desk of national networks has inspired millions, and her tenacity is a beacon of hope for aspiring dreamers and leaders alike.

Hall’s journalistic excellence has earned her numerous accolades, including two Daytime Emmy Awards for Outstanding Informative Talk Show Host, two Gracie Awards from the Alliance for Women in Media Foundation (2020 and 2022), inclusion on the Variety500 list (2022), and nominations for 13 Daytime Emmy Awards, 4 NAACP Image Awards, a GLAAD Media Awards and an Iris Award. In 2014, she made history as the first African American female co-host of NBC's “TODAY.”

As the executive producer and host of the nationally syndicated “The Tamron Hall Show,” Hall takes on the most captivating and thought-provoking issues facing the world every day, spanning from social justice and equality to mental health and personal growth. She navigates sensitive discussions, fostering a safe space for open dialogue that stimulates minds and bridges gaps.

Hall’s commitment to positive change is reflected in her dedication to charitable causes. After experiencing a personal loss to domestic violence, Hall has become an impactful advocate and supporter of Safe Horizon—a national organization that offers a variety of programs to support survivors of abuse. She is also passionate about raising awareness of the challenges faced by young people dealing with mental health problems and the importance of seeking help and support. An ardent philanthropist, Hall uses her platform to amplify voices and raise awareness about issues close to her heart, leaving an enduring impact on communities across the globe. In March 2023 (Women’s Herstory Month), she received a proclamation from the New York City Council for Outstanding Service and Achievements.

Her debut novel, “As the Wicked Watch,” was published Oct. 26, 2021, becoming an instant Editor’s Pick on Amazon. This is the first book in her critically-acclaimed “Jordan Manning” mystery series. She also hosts Court TV’s original true-crime series “Someone They Knew With Tamron Hall.” Hall’s captivating storytelling—combined with her fresh, relatable voice—impacts life lessons learned from her own experiences, encouraging listeners to embrace resilience, seize opportunities, challenge the status quo, and above all, always “Bet on yourself.”

The Luling, Texas, native holds a B.A. in Broadcast Journalism from Temple University, where she serves on the board of trustees. She resides in New York with her husband and son.
Established in 1891, under the Second Morrill Act of 1890, North Carolina Agricultural and Technical State University is a land-grant, doctoral research university. The Second Morrill Act expanded the nation’s system of land-grant universities to include a historically black institution in those states where segregation denied minorities access to the land-grant institutions established by the First Morrill Act (1862).

Throughout its 133-year history, N.C. A&T has maintained a rich tradition in academics, research and outreach. Today, the university is committed to fulfilling its fundamental purposes through exemplary undergraduate and graduate instruction, scholarly and creative research, and effective public service and engagement. A&T is accredited by the Southern Association of Colleges and Schools Commission on Colleges. An institution of choice for high-achieving students, A&T aspires to be recognized as a preeminent land-grant university.

With an enrollment of 13,885 students (Fall 2023), N.C. A&T is the nation’s largest historically Black college or university (HBCU). A&T awards baccalaureate, master’s and doctoral degrees through the College of Agriculture and Environmental Sciences; College of Arts, Humanities and Social Sciences; Willie A. Deese College of Business and Economics; College of Education; College of Engineering; John R. and Kathy R. Hairston College of Health and Human Sciences; College of Science and Technology; The Graduate College; and the Joint School of Nanoscience and Nanotechnology. The curriculum has been adapted to strengthen science, technology, engineering and mathematics (STEM)—its academic core and foundation—and other disciplines. The university also has moved rapidly to blend its academic and research programs with the needs of society and industry, forming a symbiotic relationship.

A&T has advanced to the forefront in the area of research and is one of the top-ranking institutions in the University of North Carolina System for sponsored research funding. The strength and potential of the research enterprise at A&T is demonstrated by the university’s ability to sustain major programs in nanotechnology, biotechnology, computational science and engineering, energy and environment, information sciences and technology, leadership and community development, logistics and transportation systems, and public health.

Upon graduating, students join the university’s nearly 70,000 alumni of record who hold (or have held) positions of leadership in industries and communities around the world. Some of A&T’s nationally acclaimed alumni include Henry E. Frye ’53, former N.C. Supreme Court Chief Justice; Edolphus Towns Jr. ’56, retired U.S. Congressman; Clara Adams-Ender ’61, author and retired Army brigadier general; Alvin A. “Al” Attles Jr. ’60, former NBA player, coach and general manager; Elvin Bethea ’68, NFL Hall of Famer; Ezell Blair Jr./Jibreel Khazan ’63, Joseph A. McNeil ’63, the late Franklin E. McCain Sr. ’63 and the late David Richmond ’10 (degree awarded posthumously), members of the A&T Four/Greensboro Four; Joe L. Dudley Sr. ’62, Dudley Products founder; Rev. Jesse L. Jackson Sr. ’63, civil rights activist and former presidential candidate; Alma S. Adams ’68, U.S. Congresswoman; Dr. Ronald E. McNair ’71, NASA astronaut; and Michael S. Regan ’98, U.S. EPA Administrator.

THE ACADEMIC COSTUME

The academic costume worn today derived from practices originating in the Middle Ages. When European universities were taking form in the 12th and 13th centuries, the scholars were usually clerics as well, and consequently they adopted costumes similar to those of their monastic orders. Cold halls and drafty buildings made caps and floor length gowns with attached hoods a necessity for warmth. Probably because of the costumes’ religious heritage, they remained largely drab until the universities gradually began to pass from the control of the church, whereupon some aspects of the costumes took on brighter hues. Old prints reveal a strong similarity between the regalia worn in early universities and the academic costume worn today.

In light of the nation’s strong English heritage, academic costume has been in use in the United States since colonial times. To establish a standard of uniformity with regard to the practice, an intercollegiate commission was formed which prepared a code for caps, gowns, and hoods which has been adopted by all universities. Originally round, the shape of the cap is now the more familiar mortarboard square—a shape that resembles a scholar’s book. Legend has it that the privilege of wearing a cap was the initial right of a freed Roman slave. The flowing gown has become symbolic of the democracy of scholarship for it covers any dress, which might indicate rank or social strata. The hood not only indicates the type of degree, but also is lined with the official colors of the university from which the degree was obtained.

THE GOWN

BACHELOR – Blue, full cut with long pointed sleeves.
MASTER – Black, long or short sleeves with arc-shaped panel extended for each sleeve.
DOCTOR – Black, with velvet panels on front of gown and three velvet bars on each sleeve. Color of the velvet may be black or distinctive of the field of study.

THE HOOD

BACHELOR – Three feet in length with a two-inch wide velvet.
MASTER – Three and one-half feet in length with a three-inch wide velvet.
DOCTOR – Four feet in length with a five-inch wide velvet and panel at the sides. The lining of the hoods, which is folded out, bears the official colors of the institution from which the degree was received. The color of the velvet is PhD Blue.

Candidates for doctoral degrees at North Carolina Agricultural and Technical State University wear gowns fastened at the neck and hoods draped down the back and the black mortarboard with a gold tassel.

UNDERGRADUATE HONOR STUDENTS

CUM LAUDE (With Honor)
Graduates with an overall grade point average of 3.25-3.49. These graduates are wearing honor cords of gold.

MAGNA CUM LAUDE (With High Honor)
Graduates with an overall grade point average of 3.50-3.74. These graduates are wearing honor cords of blue.

SUMMA CUM LAUDE (With Highest Honor)
Graduates with an overall grade point average of 3.75-4.00. These graduates are wearing honor stoles.

UNITED STATES ARMED FORCES VETERANS

These graduates are wearing white stoles.
The mace, a ceremonial insignia, dates back to ancient Rome to honor heroes and nobility. Maces were later used in the courts of England, during the reign of James I of England as symbols of authority. Today, maces are associated with academic and governmental processions. In academic use, it is the symbol of the college/university as a body of scholars within its own legally constituted authority. The chief faculty marshal carries the mace during all formal academic processions.

A gift from the graduating class of 1961, the mace of North Carolina Agricultural and Technical State University was presented October 24, 1991, during the centennial year celebration. The university’s 42-inch long mace reveals a two-faced sterling silver crowning head or boss with the seals of North Carolina Agricultural and Technical State University and the University of North Carolina on either side. Both university seals rest on a sterling silver etched State of North Carolina seal.

Alternating ebony and ivory solid wood rings that symbolize the university’s African American heritage are located on the mahogany wood shaft. The history and mission of the college/university throughout its 100 plus years of existence are etched on the wooden shaft of the mace between the rings. They represent service to African Americans, the missions of the university’s schools and colleges; scholars; the Greensboro Four sit-in; the Aggie mascot, and sports. The base or terminus (end piece) is a silver-plated cup engraved with a figure of a runner which symbolizes the athletic legacy and forward moving strides of the university.

North Carolina Agricultural and Technical State University’s mace is a result of planning, research and fund raising by the class of 1961. The special designs of the mace represent the joint efforts of the Mace Committee who contacted Emblem & Badge Inc., in Providence, Rhode Island, to craft the mace. Dr. Vallie Guthrie, chair; Dr. Dorothy Alston; Dr. Sullivan Welborne; Dr. William C. Parker; Dr. Basil Coley; Dorothy J. Richmond; Lewis Brandon III; Earnest Sherrod, and members of the class of 1961; and the Class Coordinating Committee were instrumental in the procurement and final version of the mace, which was presented during the October 24, 1991, Founder’s Day Convocation. The mace was carried by the Chief Faculty Marshal (chair or president of the Faculty Senate) at the May 5, 1991, commencement and is utilized at all formal ceremonial occasions for the university.
BACCALAUREATE HONORS

* Students awarded two baccalaureate degrees

PLEASE NOTE: The listing of names of degree candidates in the commencement program is not to be considered official evidence that all degree requirements have been satisfied.

COMMISSIONS

CANDIDATES COMMISSIONED AS SECOND LIEUTENANTS IN THE UNITED STATES ARMY
Cadets Commissioned May 10, 2024

Sage Nelson Brooks, Liberal Studies
Jaela Terrell Marshal Higgs, Liberal Studies
Megan Alanie Layton, Nursing
Morrison Alexander Nesmith, Biology
Alaina Stewart, Biology
Anya Lari Stywall, Sports Science and Fitness Management

CANDIDATES COMMISSIONED AS SECOND LIEUTENANTS IN THE UNITED STATES AIR FORCE
Cadets Commissioned May 10, 2024

Seth Alexander Clay, Automotive Engineering Technology
Seth Njete McGill, Criminal Justice
Jaden James Macik, Criminal Justice
PLEASE NOTE: The listing of names of degree candidates in the commencement program is not to be considered official evidence that all degree requirements have been satisfied.

* Students awarded two baccalaureate degrees
** Students who are wearing faculty-mentored undergraduate research cords
*** Students are Aggies at the Goal Line participants
COLLEGE OF ENGINEERING

BACHELOR OF SCIENCE IN ARCHITECTURAL ENGINEERING
Ma’Kayla Kemya Allen
Dashawn Marquis Arnold
Christopher Andrew Allen Breazeale
Aren Kimbrough Buffaloe
Gabrielle Marie Ciceron
Diego Cortes-Miramontes
George Dewey Franks III
Briona Nichole Cant
Isis Keturah Denise Goodwin
Akalyon Jenae Felton Grant
Jalen E. Harris
Asanti Amira Johnson

INDUCTION OF GRADUATES INTO THE NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY ALUMNI OATH

I hereby solemnly pledge allegiance to my Alma Mater in appreciation for the opportunities for development afforded me as a student at North Carolina Agricultural and Technical State University.

I pledge active membership in the North Carolina Agricultural and Technical State University Alumni Association wherever I may be. Through association with fellow alumni, I shall forever do my best to uphold the ideals and traditions of my Alma Mater.

I pledge to exemplify high ideals by rendering positive and dignified service to the community, state, nation and world, thus living to bring honor and respect to my Alma Mater.
OFFICIALS

CABINET

Harold L. Martin Sr., Chancellor
Tonya L. Smith-Jackson, Provost and Executive Vice Chancellor for Academic Affairs
Erin Hill Hart, Chief of Staff
Robert Pompey Jr., Vice Chancellor for Business and Finance
Veronica Sills, Associate Vice Chancellor for Human Resources/CHRO
Eric Muth, Vice Chancellor for Research and Economic Development
Melody C. Pierce, Vice Chancellor for Student Affairs
Kenneth E. Sigmon Jr., Vice Chancellor for University Advancement
Henry Thomas Jackson, Vice Chancellor for Information Technology Services/CIO
Melissa Holloway, Vice Chancellor for Legal Affairs, Risk and Compliance/General Counsel
Earl M. Hilton III, Director of Athletics
Timothy Minor, Interim Vice Chancellor for Strategic Partnerships

ANNOUNCER

Joseph Level

North Carolina Agricultural and Technical State University (N.C. A&T) is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, master’s and doctoral degrees.

North Carolina A&T State University does not discriminate on the basis of age (40 or older), color, disability, sex, pregnancy, gender, gender identity, gender expression, national origin, political affiliation, race, religion, sexual orientation, genetic information, veteran status, National Guard or any other basis protected by law.

N.C. A&T is an AA/EEO and ADA compliant institution.

8,000 copies of this public document were designed and printed at a cost of $8,159, or $1.01 per copy.
