NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY
MOVE FORWARD WITH PURPOSE.
May 9, 2021

Dear Class of 2021:

On behalf of the North Carolina Agricultural and Technical State University Board of Trustees, Board of Visitors, faculty, staff and students, congratulations on your graduation from our beloved institution. We are proud of you for reaching this milestone and applaud your success.

As chancellor and a proud alumnus of North Carolina A&T, it gives me great pleasure to celebrate this occasion with you. As you reflect on the experiences and accomplishments that have marked your A&T career, never forget the rich history and traditions of this wonderful university and the support of the faculty, family and friends who have been a source of inspiration to you during this chapter of your personal journey.

You stand at the threshold of a new beginning: The rest of your life starts today. I challenge you to take advantage of the opportunities that await you and commit to making a difference in the world. Today, you join a strong global community of alumni who share a common vision to lead, create, discover, inspire, dream and love ... because that’s what Aggies DO!

We wish you the best in the days and years ahead as you move forward to improve the world around you and embark on a lifetime of learning and achievement. Remember that greatness should not be measured only by your personal success, but by the lives you enrich along the way.

Sincerely,

Harold L. Martin, Sr.

RESPONSE

LIFT EVERY VOICE AND SING

Lift ev’ry voice and sing,
Till earth and Heaven ring,
Ring with the harmonies of Liberty;
Let our rejoicing rise
High as the list’ning skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past
has taught us;
Sing a song full of the hope that the present
has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

Stony the road we trod,
Bitter the chast’ning rod,
Felt in the days when hope unborn had died;
Yet with a steady beat,
Have not our weary feet
Come to the place for which our fathers sighed?
We have come over a way that with tears has
been watered;
We have come, treading our path thro’ the blood
of the slaughtered,
Out from the gloomy past,
Till now we stand at last
Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears,
Thou who has brought us thus far on the way;
Thou who has by Thy might led us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places, our God,
where we met Thee;
Lest our hearts drunk with the wine of the world,
we forget Thee;
Shadowed beneath Thy hand,
May we forever stand,
True to our God,
True to our native land.

ALMA MATER

ALMA MATER

Dear A. and T., dear A. and T., a monument indeed
Around thy base with grateful hearts behold thy students kneel.
We bless the pow’r that gave thee birth to help us in our need,
We’ll ever strive while here on earth all loyalty to yield.

REFRAIN
With joy, with joy, dear A. and T., thy students turn from thee
To spread thy trophies year by year from Dare to Cherokee.

Dear A. and T., dear A. and T., the signet thou shalt be,
Set by our great old commonwealth, proud boaster of the free;
She’d have the record of her worth on granite not inscribed—
Nay, let the children of her birth proclaim it by their lives.

Dear A. and T., dear A. and T., henceforth our aim shall be,
By precepts wise and deeds more sure to bless the State
through thee;
The arts of industry to wield against an idle foe.
A harvest rich from ripened field of what thy students sow.
STERLING K. BROWN
Actor

Two-time Emmy Award-winning actor Sterling K. Brown currently stars in NBC’s Emmy- and Golden Globe-nominated drama series “This Is Us.” For his role as Randall Pearson, he has received an Emmy Award for Outstanding Lead Actor in a Drama Series, as well as four consecutive nominations in the category. He also has received a Golden Globe Award for Best Performance by an Actor in a Drama Series, becoming the first African American actor to win his category in the award show’s 75-year history.

In addition to Emmy, Golden Globe and SAG accolades for his performance on “This Is Us,” Brown has won an NAACP Image Award and the Critics’ Choice Award, and he has been nominated for BET, TCA and Teen Choice awards. For his portrayal of prosecutor Christopher Darden in FX’s award-winning television event series “The People v. O.J. Simpson: American Crime Story,” he won an Emmy and Critics’ Choice Award and was nominated for a Golden Globe, SAG Award and NAACP Image Award.

In 2018, Brown was included in TIME magazine’s list of 100 most influential people in the world.

Brown has starred in the A24 family drama “Waves,” Disney’s “Frozen 2,” Amazon’s “The Marvelous Mrs. Maisel” (for which he earned a 2020 Emmy Award nomination for Outstanding Supporting Actor in a Comedy Series), Netflix’s “Kipo and the Age of Wonderbeasts” and Fox’s “The Predator,” and he guest starred in season 4 of Netflix’s “Big Mouth.”

On the big screen, Brown co-starred and earned a SAG Award alongside the ensemble cast of Marvel’s Academy Award-winning film “Black Panther,” which broke box office records worldwide. He co-starred in “Marshall,” receiving an NAACP Image Award nomination for his performance and starred in the action film “Hotel Artemis” with Jodie Foster and Brian Tyree Henry.

In 2018, Brown created Indian Meadows Productions under a pact with 20th Century Fox Television. Headed by Danielle Reardon, the company’s chief mandate is to champion diversity through the development and production of entertaining, educational and inclusive projects across multiple forms of media, including film, broadcast, cable and streaming.

A lover of theatre, Brown has performed in a variety of staged shows, including New York and Los Angeles productions of “Father Comes Home from the Wars (Parts 1, 2 & 3),” for which he won an NAACP Theatre Award and was nominated for an Ovation Award. Additional stage credits include “Macbeth,” “The Brother/Sister Plays” and “The Resistable Rise of Arturo Ui” opposite Al Pacino.

Brown graduated with a B.A. in drama from Stanford University before receiving his MFA from New York University’s Tisch School of the Arts. He resides in Los Angeles with his wife and two children.
HONORARY DEGREE RECIPIENTS

CLARENCE AVANT, 2020 RECIPIENT

Clarence Avant is an American film producer, musician and entrepreneur. He is one of the most powerful and renowned people within the entertainment industry. His life and career are detailed in the 2019 release of the Netflix documentary, “The Black Godfather.” His productions include the following movies: “The Color Purple” (1985), “Jason’s Lyric” (1994) and “Deliver Us from Evil” (1975).

Avant’s achievement, which exemplifies attainment of lasting distinction in a field or activity consonant with the mission of the university, including scholarship, creativity, leadership and humanitarian or public service, at the state, national or international levels. He is known in the business world as a great deal-maker, and in 1968, he helped to sell Stax Records to Gulf & Western. The deal was finalized for $4.3 million. The next year, he founded Sussex Records and bought the KAFB-FM radio station. In 1987, he helped to promote Michael Jackson’s first solo tour, which grossed $125 million.

Avant was named Chairman of the Board of Motown Records in 1993. The following year he worked with a group of African American investors to create a $20 million investment partnership in South Africa called New Age Beverages. Most notable of his achievements, he helped broker deals that resulted in people of color landing prominent roles and proper compensation, including when they were working for him. Avant prided himself on working behind the scenes to help people achieve their dreams. He is the recipient of many awards, including the Thurgood Marshall Lifetime Achievement Award; Honorary Doctorate from Morehouse College; National Association of Recording Arts and Sciences Trustees Award; NAACP Hall of Fame; Star on the Hollywood Walk of Fame, and the President’s Merit Award as a Grammy Icon. Avant is a native of Greensboro, North Carolina.

JACQUELINE L.B. JACKSON, 2021 RECIPIENT

At age 17, Jacqueline Lavinia Brown Jackson, a native of Fort Pierce, Florida, entered North Carolina A&T where she met her husband, Rev. Jesse Jackson. To this union five children were born; three are Aggies. Jackson was a student under the administration of Dr. Lewis C. Dowdy and Dr. Samuel D. Proctor, who became a mentor to Rev. and Mrs. Jackson and helped chart their political directions. Her major was sociology and psychology.

Through her civil rights activist career, Jackson has met and worked with Ethel Payne, Bella Abzug, C. Dolores Tucker, Dorothy Height, Betty Shabazz, Mahalia Jackson, Nina Simone, Eartha Kitt, Faye Wattleton, Roxanne Dunbar Ortiz, Albertina Walker, Drs. William and Camille Cosby and others. She assisted in speech writing and advocacy for some of these women.

Jackson worked with many civil rights organizations including fundraising for SCLC under the leadership of Dr. Martin Luther King. Her assistance of organizing political campaigns began with Richard Hatcher, John Conyers and many others. She helped to create the logistics for the 1972 National Black Political Convention and headed the fundraising committees for Richard Hatcher’s reelection campaign. Her political organizing included campaigning for Diane Watson, Maxine Waters, Hillary Clinton and others.

One of the founders of PUSH Excel, Jackson also founded the Jackson Legacy Foundation where she empowers women, students and the needs of African Americans. She headed the international desk for both Operation PUSH and the Rainbow PUSH Coalition, and she corroborated with other civil rights organizations in their participation in African and Middle East missions. She was a personal friend of Winnie Mandela, then the wife of imprisoned Nelson Mandela.

Jackson looks for excellence in whatever she does. “No one showed me that better than A&T, which taught me a way to exhibit a principle of racial pride and to love humanity.” –Jacqueline Jackson
Established in 1891, under the Second Morrill Act of 1890, North Carolina Agricultural and Technical State University is a land-grant, doctoral higher research activity, historically black institution. The Second Morrill Act expanded the nation’s system of land-grant universities to include a historically black institution in those states where segregation denied minorities’ access to the land-grant institutions established by the First Morrill Act (1862).

Over the past 130 years, N.C. A&T has maintained a rich tradition in academics, research, discovery and outreach, to become one of the nation’s most highly respected institutions of higher education. The university aims to develop and preserve intellectual capital through interdisciplinary learning, discovery and engagement, and is committed to fulfilling its fundamental purposes through exemplary undergraduate and graduate instruction, scholarly and creative research, and effective public service and engagement. The current vision is to be recognized as a preeminent land-grant university and the institution of choice for high-achieving students.

With an enrollment of 12,753 students, A&T is the largest historically black college or university (HBCU) in the nation. A&T awards baccalaureate, master’s and doctoral degrees through the College of Agriculture and Environmental Sciences; College of Arts, Humanities and Social Sciences; Willie A. Deese College of Business and Economics; College of Education; College of Engineering; John R. and Kathy R. Hairston College of Health and Human Sciences; College of Science and Technology; The Graduate College; and the Joint School of Nanoscience and Nanoengineering.

A&T has adapted its curriculum and teaching methodologies to ensure that students in STEM (science, technology, engineering and mathematics) and other disciplines receive an education that allows them to be competitive in a changing world. Students across the disciplines are afforded opportunities to work and study with renowned scholars, researchers and other professionals who serve on the faculty and are held in high esteem across the nation and abroad. A&T is among the top producers of African-American engineers, agriculture graduates and certified public accountants in the nation, and is one of the top producers of African Americans with baccalaureate degrees in journalism/mass communication and psychology.

A&T has advanced in the area of research and, for more than a decade, has consistently ranked third in research funding among the 17 institutions that comprise the UNC system. The strength and potential of the research enterprise at A&T is demonstrated by the university’s ability to sustain major programs in nanotechnology, biotechnology, computational science and engineering, energy and environment, information sciences and technology, leadership and community development, logistics and transportation systems, and public health. Notably, the university is home to the prestigious National Science Foundation Engineering Research Center for Revolutionizing Biometric Materials, which specializes in biomedical engineering and nano-bio applications research.

Upon graduating, students join the university’s 55,000-plus alumni of record who hold (or have held) positions of leadership in industries and communities around the world. Some of A&T’s nationally acclaimed alumni include Henry E. Frye ’53, former N.C. Supreme Court Chief Justice; Edolphus Towns Jr. ’56, retired U.S. Congressman; Clara Adams-Ender ’61, author and retired Army brigadier general; Alvin A. “Al” Attles Jr. ’60, former NBA player, coach and general manager; Elvin Bethea ’68, NFL Hall of Famer; Ezell Blair Jr./Jibreel Khazan ’63, the late Franklin E. McCain Sr. ’63, Joseph A. McNeil ’63 and the late David Richmond ’10 (degree awarded posthumously), members of the Greensboro Four/A&T Four; Joe L. Dudley Sr. ’62, Dudley Products founder; Rev. Jesse L. Jackson Sr. ’63, civil rights activist and former presidential candidate; Alma S. Adams ’68, U.S. Congresswoman; and the late Dr. Ronald E. McNair ’71, NASA astronaut.

CAN YOU FEEL THE PRIDE?
THE ACADEMIC COSTUME

The academic costume worn today derived from practices originating in the Middle Ages. When European universities were taking form in the 12th and 13th centuries, the scholars were usually clerics as well, and consequently they adopted costumes similar to those of their monastic orders. Cold halls and drafty buildings made caps and floor length gowns with attached hoods a necessity for warmth. Probably because of the costumes’ religious heritage, they remained largely drab until the universities gradually began to pass from the control of the church, whereupon some aspects of the costumes took on brighter hues. Old prints reveal a strong similarity between the regalia worn in early universities and the academic costume worn today.

The gown

BACHELOR – Blue, full cut with long pointed sleeves.
MASTER – Black, long or short sleeves with arc-shaped panel extended for each sleeve.
DOCTOR – Black, with velvet panels on front of gown and three velvet bars on each sleeve. Color of the velvet may be black or distinctive of the field of study.

The hood

BACHELOR – Three feet in length with a two-inch wide velvet.
MASTER – Three and one-half feet in length with a three-inch wide velvet.
DOCTOR – Four feet in length with a five-inch wide velvet and panel at the sides. The lining of the hoods, which is folded out, bears the official colors of the institution from which the degree was received. The color of the velvet is Ph.D. blue.

Candidates for doctoral degrees at North Carolina Agricultural and Technical State University wear gowns fastened at the neck and hoods draped down the back and the black mortarboard with a gold tassel.

THE MACE

The mace, a ceremonial insignia, dates back to ancient Rome to honor heroes and nobility. Maces were later used in the courts of England, during the reign of James I of England as symbols of authority. Today, maces are associated with academic and governmental processions. In academic use, it is the symbol of the college/university as a body of scholars within its own legally constituted authority. The chief faculty marshal carries the mace during all formal academic processions.

A gift from the graduating class of 1961, the mace of North Carolina Agricultural and Technical State University was presented October 24, 1991, during the centennial year celebration. The university’s 42-inch long mace reveals a two-faced sterling silver crowning head or boss with the seals of North Carolina Agricultural and Technical State University and the University of North Carolina on either side. Both university seals rest on a sterling silver etched State of North Carolina seal.

Alternating ebony and ivory solid wood rings that symbolize the university’s African American heritage are located on the mahogany wood shaft. The history and mission of the college/university throughout its 100 plus years of existence are etched on the wooden shaft of the mace between the rings. They represent service to African Americans, the missions of the university’s schools and colleges; scholars; the Greensboro Four sit-in; the Aggie mascot, and sports. The base or terminus (end piece) is a silver-plated cup engraved with a figure of a runner which symbolizes the athletic legacy and forward moving strides of the university.

North Carolina Agricultural and Technical State University’s mace is a result of planning, research and fund raising by the class of 1961. The special designs of the mace represent the joint efforts of the Mace Committee who contacted Emblem & Badge Inc., in Providence, Rhode Island, to craft the mace. Dr. Vallie Guthrie, chair; Dr. Dorothy Alston; Dr. Sullivan Welborne; Dr. William C. Parker; Dr. Basil Coley; Dorothy J. Richmond; Lewis Brandon III; Earnest Sherrod, and members of the class of 1961; and the Class Coordinating Committee were instrumental in the procurement and final version of the mace, which was presented during the October 24, 1991, Founder’s Day Convocation. The mace was carried by the Chief Faculty Marshal (chair or president of the Faculty Senate) at the May 5, 1991, commencement and is utilized at all formal ceremonial occasions for the university.
REMARKS TO THE GRADUATES FROM THE GOLDEN CLASS ’71 AND SILVER CLASS ’96

THE GOLDEN CLASS

Greetings from the Golden Class of 1971! Today, we honor you for your resilience to forge ahead, your determination to never give up, and the audacity to stay the course and finish the race. Class of 2021, you represent the true meaning of Aggie Pride, “Achieving Great Goals in Everything – Producing Renowned Individuals Dedicated to Excellence.” Aggies, this is your moment and we are so proud of you for what you have accomplished. Congratulations!

Anita Chesney, James Degraphenreid and Wesley Porch
(Class Coordinators)

THE SILVER CLASS

On behalf of the Silver Class of 1996, congratulations to the spring 2021 graduates of N.C. A&T State University! As we reflect and reminisce about walking across that stage 25 years ago with a strong sense of accomplishment, relief, hope and a little fear, we celebrate with you knowing that the possibilities are endless. The future is wide open for whatever your heart desires personally and professionally. From Dare to Cherokee ... let the entire world know what AGGIE PRIDE is all about!

Dear Class of 2020:

On behalf of the North Carolina Agricultural and Technical State University Board of Trustees, Board of Visitors, faculty, staff and students, congratulations on your graduation from our beloved institution. We are proud of you for reaching this milestone and applaud your success.

As chancellor and a proud alumnus of North Carolina A&T, it gives me great pleasure to celebrate this occasion with you. As you reflect on the experiences and accomplishments that have marked your A&T career, never forget the rich history and traditions of this wonderful university and the support of the faculty, family and friends who have been a source of inspiration to you during this chapter of your personal journey.

I challenge you to take advantage of the opportunities that await you and commit to making a difference in the world. You are part of a strong global community of alumni who share a common vision to lead, create, discover, inspire, dream and love ... because that’s what Aggies DO!

We wish you the best in the days and years ahead as you move forward to improve the world around you and embark on a lifetime of learning and achievement. Remember that greatness should not be measured only by your personal success, but by the lives you enrich along the way.

Sincerely,

Harold L. Martin, Sr.
